### **3-YEAR LIMITED WARRANTY**

Assisted Transportation Systems (ATS) provides a 3-year limited warranty that covers modifications and alterations made by ATS during the conversion process. Additionally, ATS provides a 3-year corrosion warranty. The ATS 3-year limited warranty covers considerable defects in materials and/or workmanship caused with the conversion process. This includes the floor pan, ramp assembly and any modified interior components. The 3-year corrosion warranty covers considerable defects caused by rust or corrosion associated with metal fabrication during the conversion process. The 3-year corrosion warranty covers the steel floor pan and ramp assembly system. The ATS limited warranty becomes effective on the date of sale of converted vehicle or the date of sale for van conversion. The ATS limited warranty covers the ATS conversion regardless of mileage during the warranty period.

The ATS limited warranty applies to the original purchaser from ATS only. The ATS limited warranty is non-transferable. ATS conversions sold by authorized, independent ATS dealers will be covered through that dealer for the duration of the warranty to the first purchaser from such independent dealer. The authorized, independent dealer is responsible for maintaining customer records of the first purchaser and providing ATS with pertinent documentation related to that sale in order for the customer to obtain warranty coverage through ATS.

If a considerable defect in material and/or workmanship is noted during the warranty coverage period, ATS will repair or replace any defective parts attributable to the ATS conversion process if those defects are reported to ATS within the stated warranty period. Depending on the defect, the vehicle may require work that must be completed at our main manufacturing facility. In such an instance, the purchaser will be required to return the vehicle to the ATS facility. ATS must approve any work performed by anyone not employed by ATS in order for the warranty coverage to apply. For questions or warranty claims contact ATS via our website ([www.atismobility.com](http://www.atismobility.com)) or telephone (1-877-385-VANS).
